

6. Blocks

6.3. General

6.3.7. Watched pages

The **Watched pages** block displays the pages that are on your watchlist.

Configure the **Watched pages** block

1. **Block title:** The automatic title for this block is “Watched pages”. You can set another one if you wish.
2. **Items to show:** Decide how many pages shall be shown on your dashboard. You can choose between 1 and 100.
3. **Retractable:** Tick this checkbox if you want to allow users to reduce the block to its heading on a page. The user can click the **Retractable** icon  to just show the heading.
4. **Automatically retract:** Tick this checkbox if you want to show only the block’s heading when a user views the page. The user can click the **Retracted** icon  to view the entire block.
5. Click the **Save** button to accept your changes, or click the **Cancel** button to leave the block’s content as it is. The **Remove** button is shown only when you place the block into the page for the first time.
6. You can also click the **Close** button  in the top right-hand corner to either remove a newly created block before it is being saved or to cancel any changes and leave the block’s content as it is.
