

# 6. Blocks

## 6.3. General

### 6.3.9. Group members

This block is a default block on the group homepage. You can display member profile pictures and their names.

Configure the **Group members** block

1. **Block title:** The automatic title for this block is “Members”. You can set another one if you wish.
2. **Shown members:** Choose how many members (between 1 and 100) are shown on the group homepage. All others are accessible via the **Members** tab in the group. The default number of members displayed is 12.
3. **Order:** Choose the order in which members are displayed. Options are
  - **latest:** display members according to their group joining date in reverse chronological order
  - **random:** let Mahara decide which members to display
4. **Retractable:** Tick this checkbox if you want to allow users to reduce the block to its heading on a page. The user can click the **Retractable** icon  to just show the heading.
5. **Automatically retract:** Tick this checkbox if you want to show only the block’s heading when a user views the page. The user can click the **Retracted** icon  to view the entire block.
6. Click the **Save** button to accept your changes, or click the **Cancel** button to leave the block’s content as it is. The **Remove** button is shown only when you place the block into the page for the first time.
7. You can also click the **Close** button  in the top right-hand corner to either remove a newly created block before it is being saved or to cancel any changes and leave the block’s content as it is.
